

Haoqiaoli Outdoor Power Supply

What is Huaquan energy storage power supply?

Huaquan Energy Storage Power Supply is powered by rechargeable batteries and has the characteristics of small size, light weight and high safety. Its main control system uses a 32-bit digital signal processing chip, which can output sinusoidal AC power.

What does Huaquan do?

Huaquan's business covers high-end power generation equipment, new energy storage equipment, high and low voltage complete equipment, power engineering and other fields, and has created three global brands "HUAQUAN", "HQ-POWER" and "Huaquan". We can provide corresponding assistance according to your needs to solve your electricity needs.

Does Huaquan have a water pump?

Huaquan's independently developed emergency water pump for flood control and drought relief is our featured product. The water pump can be configured with two or four wheels and a protective shed according to customer needs.

Why should you choose Huaquan generator manufacturer?

Huaquan generator manufacturer is committed to providing you with high-quality and professional pre-sales and after-sales services. Our professional after-sales team will provide you with installation guidance for the generator set and quickly handle the problem when the generator set fails to minimize the customer's loss.
