

Jordan 24 negative inverter

What is an Air Jordan 24?

The Air Jordan 24 is a silhouette that pays homage to Michael Jordan's defensive play on the court. Also known as the Air Jordan 2009, this sneaker is available in four colorways. Air Jordan 24 sneakers are built with premium materials and technologies.

What are the special features of the Jordan 24?

Here are some special features of the Jordan 24 sneakers that have stood out over the years. These Jordan basketball shoes feature unusual materials, such as satin and metal mesh, which give them a unique appearance. The shoe appeal results from the supple leather and the paneled textile.

Is the Air Jordan 24 a futuristic shoe?

The Air Jordan 24 basketball shoe offers a high level of style and performance while adhering to the legacy of the franchise. However, the design is distinctly futuristic. Jason Mayden created the Air Jordan 2009 (Mk 24), which was the first Air Jordan model to be called after the year of its debut rather than its numbered system.

Do Jordan 24 sneakers have a retrofit?

On January 31, 2009, the sneaker went on sale. The shoe has not undergone a retrofit. Here are some special features of the Jordan 24 sneakers that have stood out over the years. These Jordan basketball shoes feature unusual materials, such as satin and metal mesh, which give them a unique appearance.

Does the Air Jordan 24 have a zoom air unit?

The Air Jordan 24 midsole has a forefoot and heel cushioned with Zoom Air units. The heel section in the sock liner also features a Zoom Air unit. The Zoom Air Unit cushioning system is highlighted by Articulated Propulsion Technology (APT), an innovative technology used in basketball footwear.

What color is the Air Jordan 24?

Air Jordan 2009 sneakers have a unique translucent rubber outsole with a multidirectional traction pattern and sharp parallel lines inspired by sword movements during a fencing game. The Air Jordan 24 is available in different colorways, including the Black/White/Varsity Red, which is the initial release.

Although Michael Jordan is mostly known for his amazing play near the opponents' basket, his defense wasn't that bad either. That's what Air Jordans 24 paid homage to when they came ...
