

New Zealand home outdoor battery cabinet BESS price

What is a Bess battery?

The small BESS series is a fully integrated battery energy storage system that's built to last. The Series is both scalable and engineered for modularity with a low MTTR, making it ideal for medium renewable energy projects. It offers flexible and scalable designs for various applications, whether you need a small or medium energy storage solution.

What is a small BESS cabinet?

Small BESS Cabinets The small BESS series is a fully integrated battery energy storage system that's built to last. The Series is both scalable and engineered for modularity with a low MTTR, making it ideal for medium renewable energy projects.
