

Can you plug a device into a power outlet in Seychelles?

Due diligence regarding potential hazards associated with plugging devices into local power outlets is strongly recommended when visiting Seychelles! Seychelles uses Type G and Type M plugs in its power outlets, both with a voltage rating of 230 volts (50 cycles).

What type of plug fits in a Seychelles outlet?

No other plug types fit into an outlet of type G. All power sockets in Seychelles provide a standard voltage of 240V with a standard frequency of 50Hz. You can use all your equipment in Seychelles if the outlet voltage in your own country is between 220V-240V.

Do you need a voltage converter in Seychelles?

If your device or power adapter is not dual voltage or you are unsure, and the voltage and/or frequency in Seychelles differs from your own country, you should use a voltage converter when plugging in your devices and power adapters in Seychelles. What power plug types and electrical outlets are used in Victoria?

Do I need a travel adapter in Seychelles?

The electrical outlets and power plugs in Seychelles are of type G (see images) . If your country uses the same electrical outlets and power plugs,you don't need a travel adapter. However,you may still need a voltage converter if the voltage is different.

Should I buy an all-in-one power plug adapter before leaving Seychelles?

The answer is yes!It would be wise to purchase an all-in-one power plug adapter before leaving for Seychelles. This type of adapter has several different kinds of plugs built into one unit so it can work with almost any outlet in the world. It is compatible with types A,B,C,D,E/F,G/I and even USB ports for charging laptops.

What is the standard voltage of a power socket in Seychelles?

All power sockets in Seychelles provide a standard voltage of 240Vwith a standard frequency of 50Hz. You can use all your equipment in Seychelles if the outlet voltage in your own country is between 220V-240V. This is the case in most of Europe,Australia,the United Kingdom and most countries in Africa and Asia.
